Help Wanted

Children's Class Shepherds are needed for our Children's ministry! Shepherds are there to welcome children as they arrive, take attendance, and help the session's teacher with any needs he or she may have. Shepherds have no teaching responsibilities. Shepherd duties rotate through the available shepherds for a class (approximately once a month.) Shepherds are needed for our preschool class(es), our 1st-3rd graders, and our Know My Bible class with 4th-5th graders.

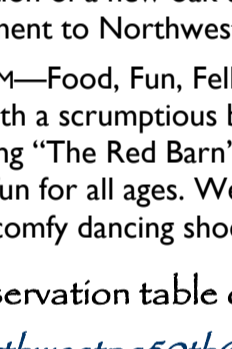

Children's Class Teachers are needed for our 1st-3rd graders, and beginning in January for our preschool class. For our 1st-3rd graders, you can sign up to teach one specific lesson or as many as you'd like. For our preschool class, you'll be part of a weekly teaching team- substitute teachers will be available if you need to be absent from class.

Adult Class Shepherds are needed for our adult Sunday school classes. Shepherds are there to welcome participants as they arrive, take attendance, and help the session's teacher with any needs he or she may have. Shepherds have no teaching responsibilities-but do have a heart for caring for others and helping the class grow.

(Short Term/Substitute) Adult Class Teachers are needed for our Faith Today Class and our Tapestry Class. Teachers for the Faith Today Class are needed for one session or a short series of sessions with an easy-to-use curriculum on topics relevant to faith merging into modern life. Teachers for the Tapestry Class are needed to fill in on Sundays when the class leader is not able to be present.

If you are able to help with any of these Christian Education needs, please contact Jaime Brewington Fulsang at jaime@nwpcatlanta.org or by phone at 404-386-2715. Thank you in advance, for your prayerful consideration!

ANNOUNCEMENTS

CONGREGATIONAL MEETING SCHEDULED

There will be a congregational meeting on **Sunday, September 12**, immediately following worship for the purposes of: filling the elder vacancy on the Session, and electing an Associate Pastor Nominating Committee.

PRAY WITH US...

The intercessory prayer group meets in the parlor at NWPC each Monday morning at 11:30 to offer prayer on behalf of our church, members of our congregation, and our friends.

We welcome others who may want to come, occasionally or regularly, to lift up the needs of others as a group. It is not necessary to pray aloud if that is not comfortable, just to join one's heart with the leader as she prays.

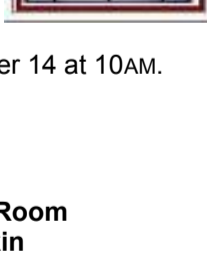

In fact, all that is required is a belief in the power of community prayer and a commitment to keep in confidence the prayer needs that are shared.

For more information, contact Melissa Reed, 404-228-3173 or melissa04@gmail.com.

A Note of Encouragement cards have been added to the pew pads as a way for us to remind those members who are on the prayer list, or those who are unable to worship with us regularly, that we are thinking of them and praying for them. Please take a moment to "reach out and touch someone" by writing a quick note on one of the cards and placing it either in the offering plate or on the round table in the Narthex as you leave.

PRESBYTERIAN WOMEN

Pledge Card Reminder for Presbyterian Women: Each woman of the church should have recently received a mailing from Northwest's Presbyterian Women Organization which gave an overview of the PW budget and benevolences for the upcoming year as well as a pledge card for PW ministry pledges. Please prayerfully consider the contribution you would like to make toward the PW this year and return your pledge card via mail or the offering plate. And thank you in advance for helping to support all who benefit from this vibrant ministry.

Mark your calendars now for the **PW Fall Coffee** on Tuesday, September 14 at 10AM.

GREEN CORNER

Tips and tricks to help us be better stewards of the earth

Green Bagging

Did you know that one child's average school lunch generates 67 pounds of waste over a year? Did you know that kid's are less wasteful than adults? There are lots of ways you can cut back on lunch waste (and save money).

When you go to the grocery store: buy chips, cookies, crackers, applesauce, carrots, yogurt, cheese, soup, and other food in bulk, and not single-serving packages; buy juice in large bottles, not small boxes or pouches; and don't buy plastic sandwich bags, plastic water bottles, disposable utensils, paper napkins, or paper lunch bags. (And don't forget to bring your own reusable grocery bags to the store.)

When you pack your lunch: put sandwiches, small fruit, snacks, and other food in reusable containers; put juice or water in a reusable bottle; and put metal utensils, a cloth napkin, and your food and drink in a long-lasting reusable lunch bag or box.

If you buy lunch, reduce waste by bringing a reusable water bottle and a set of utensils with you. Don't get more food than you can eat or more napkins than need.

If you have any suggestions for Green Corner topics, or have an article to submit, please contact **Scott** in the NWPC office.
